

Seagulls

Summer holidays - 20th July to 28th August

Our World the Continents

Seagulls can attend The Lighthouse throughout half-terms and full school holidays. We aim to provide a loving, warm secure environment in which children can have fun, relax and grow.

The sessions are planned with activities to suit the group. There are times to run and play outside with bikes, bats, balls and more. We have quieter times to listen to stories, etc. There are times to paint, glue, and be creative. And much, much, more.

Set in the countryside between Stadhampton and Newington, The Lighthouse offers quality Montessori education with extended days for working parents. We are open for all children 1 to 8 years. The Seagulls sessions are from 8.00am to 5.30pm.
